Re: Gerard Sillam et al. v. Labaton Sucharow LLP et. al.  
Case No. 1:21-cv-06675 (CM)  
Our File No: 2K19S1113

Honorable Judge McMahon:

This law firm represents Plaintiffs in the above captioned action. Our clients have requested that we refrain from service of the Complaint in this action until further notice as they are still in the process of compiling necessary evidence on a related matter filed in the courts of Paris, France. To that end I attach here a letter from Plaintiffs' French Counsel Ms. Sophie Laroque, confirming that two of the three Defendants herein are scheduled to appear and provide testimony therein on October 15, 2021. As such and based on the foregoing, it is kindly and respectfully requested that an extension of time be granted to file the Case Management Plan in this action and that the current Telephone Conference currently scheduled for October 28, 2021, be adjourned, until such time as the Summons and Complaint shall be served. We thank you for your time and courtesies in this regard, they are greatly appreciated.

Very truly yours,

Steven J. Czik

I am confused. You are saying that your clients filed a Complaint without having evidence of wrongdoing? Why do you need additional evidence in order to serve the Complaint? You filed it; you have the number of days provided in the Federal Rules to serve it; I will not extend that period.
